

## Water Direct Application

If you are in receipt of one of the following benefits you may be able to have your bill paid through the **Water Direct Scheme:** 

- Income support
- Income-based Job Seeker's Allowance
- Income-based Employment and Support Allowance
- Pension Credit

You can ask the Department of Work and Pensions to make payments directly from your benefits; these will be debited weekly and credited to your water account monthly. There are rules about the amount that can be deducted from your benefit (this is to ensure that deductions are not too high).
