Affinity Water Holdings Limited

Strategic report for the year ended 31 March 2020

The directors present their strategic report on Affinity Water Holdings Limited ('the company') for the year ended 31 March 2020.

The company's primary purpose is to manage an investment in Affinity Water Limited.

The company itself receives dividend income from its investment and distributes these to its parent company. Directors consider the company has adequate reserves to meet its activities and purpose.

Performance of the company is dependent ultimately on the performance of the trading subsidiary Affinity Water Limited. Affinity Water Limited owns and manages the water assets and network in an area of approximately 4,515km² in the southeast of England.

As both the financial and operational results of the company are dependent on the results of the trading subsidiary, the performance indicators and targets set are provided in detail in the strategic report of Affinity Water Limited's own annual report and financial statements for the year ended 31 March 2020.

Principal risks and uncertainties

The main risks of the company are centred on the key principal risks of the trading subsidiary in the group, as ultimately the value of the company's investment and dividend income are dependent on the trading subsidiary's activities.

These principal risks include:

- Failure to prevent injuries and accidents to its people and the public
- Failure to meet its obligations to provide a sufficient supply of high-quality drinking water
- Failure to attract, develop and retain good quality employees
- Information security, protection of its personal data and data quality failure
- Supply chain failure
- Failure to deliver its business plan, commitments and service to customers
- The environment
- Managing change
- National health pandemic
- Adverse changes to the regulatory framework, or social or political climate
- Failure to comply with laws, its Instrument of Appointment and other recognised standards
- Failure to secure appropriate financing for its business activities.

These risks are provided in more detail in the strategic report of Affinity Water Limited's own annual report and financial statements for the year ended 31 March 2020.

Approval of the strategic report

On behalf of the Board

Affinity Water Holdings Limited

Directors' report for the year ended 31 March 2020

Introduction

The directors present their report and the audited statutory financial statements for the year ended 31 March 2020.

Future developments

It is anticipated the company will continue to invest and manage its long term interests in the water industry in the United Kingdom for the foreseeable future.

Dividends

No dividends have been paid during the year ended 31 March 2020.

This compares to interim dividends of £6,600,000 declared and paid in the year ended 31 March 2019.

The directors do not recommend a final dividend (2019: nil).

Directors

The directors of the company, who were in office during the year and up to the date of signing the financial statements except where noted, were as follows:

Tom Goossens
Jaroslava Korpanec
Stuart Ledger
Anthony Roper
Angela Roshier
Scott Springett
Pauline Walsh

Company Secretary

Tim Monod (resigned 6 November 2019)

At the time of approving these financial statements, no Company Secretary had been appointed to replace Tim Monod.

Events after the reporting period

There were no significant events that took place after the reporting period.

Directors' qualifying third party indemnity provisions

The company has not granted any indemnity to its directors against liability in respect of proceedings brought by third parties, subject to the conditions set out in Section 234 of the Companies Act 2006.

Political contributions

No political contributions were made during the year (2019: £nil), in accordance with the company's policy of not making political contributions.

Affinity Water Holdings Limited

Directors' report for the year ended 31 March 2020 (continued)

Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising Financial Reporting Standard 101 "Reduced Disclosure Framework" ('FRS 101'), and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

Directors' confirmations

In the case of each director in office at the date the Directors' Report is approved:

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that.

Affinity Water Holdings Limited

Independent auditor's report to the member of Affinity Water Holdings Limited

Report on the audit of the financial statements

Opinion

In our opinion, Affinity Water Holdings Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2020 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the statement of financial position as at 31 March 2020; the income statement, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

Affinity Water Holdings Limited

Independent auditor's report to the member of Affinity Water Holdings Limited (continued)

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Strategic Report and Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Directors' Report for the year ended 31 March 2020 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Directors' Report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Statement of directors' responsibilities, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Affinity Water Holdings Limited

Independent auditor's report to the member of Affinity Water Holdings Limited (continued)

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Affinity Water Holdings Limited

Notes to the financial statements for the year ended 31 March 2020

1. General information

Affinity Water Holdings Limited ('the company') manages an investment in Affinity Water Limited.

The company is a private company limited by shares and is incorporated and domiciled in England. The address of its registered office is Tamblin Way, Hatfield, Hertfordshire, AL10 9EZ.

2. Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation

These financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006.

The company meets the definition of a qualifying entity under Financial Reporting Standard 100: 'Application of financial reporting requirements' ('FRS 100') issued by the Financial Reporting Council ('FRC'). The financial statements of Affinity Water Holdings Limited have been prepared in accordance with FRS 101.

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- IFRS 7: 'Financial Instruments: Disclosures'
- Paragraphs 91 to 99 of IFRS 13: 'Fair value measurement' (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities)
- Paragraph 38 of International Accounting Standard ('IAS') 1: 'Presentation of financial statements' comparative information requirements in respect of paragraph 79(a)(iv) of IAS 1
- The following paragraphs of IAS 1: 'Presentation of financial statements':
 - 10(d) (statement of cash flows),
 - 16 (statement of compliance with all IFRS),
 - 38A (requirement for minimum of two primary statements, including cash flow statements),
 - 38B-D (additional comparative information),
 - 40A-D (requirements for a third statement of financial position),
 - 111 (cash flow statement information), and
 - 134-136 (capital management disclosures)
- IAS 7: 'Statement of cash flows'
- Paragraph 17 of IAS 24: 'Related party disclosures' (key management compensation)
- The requirements in IAS 24: 'Related party disclosures' to disclose related party transactions entered into between two or more members of a group.

The group financial statements of Daiwater Investment Limited, the company's ultimate holding and controlling company in the United Kingdom, will be publicly available and may be obtained as set out in note 12.

Affinity Water Holdings Limited

Notes to the financial statements for the year ended 31 March 2020 (continued)

2. Summary of significant accounting policies (continued)

2.2 Going concern

The directors consider it appropriate to adopt the going concern basis of accounting in preparing the financial statements. This is based on assessment of the principal risks of the company and consideration of the company's budgeted cash flows, long term forecasts and related assumptions.

2.3 Changes in accounting policy and disclosures

The following new standard became applicable for the current reporting period:

- IFRS 16: 'Leases' ('IFRS 16');

The impact of the adoption of this standard and the new accounting policies are disclosed below.

IFRS 16: 'Leases'

IFRS 16 addresses the definition of a lease, recognition and measurement of leases and establishes principles for reporting information to users of financial statements about the leasing activities of both lessees and lessors. A key change arising from IFRS 16 is that most operating leases will be accounted for on balance sheet for lessees. The standard replaces IAS 17: 'Leases', and related interpretations. The standard is effective for the annual period beginning on 1 April 2019. Given the nature of the entity, the new standard has not had an impact on the company.

2.4 New Standards, amendments and interpretations not yet adopted

There are no new standards and interpretations, which are not yet effective and have not been early adopted by the company, that will have a material effect on future years.

2.5 Consolidation

The company is a wholly owned subsidiary of Daiwater Investment Limited. It will be included in the consolidated financial statements of Daiwater Investment Limited which will be publicly available. Therefore the company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements.

These financial statements are separate financial statements.

2.6 Investment in subsidiary

The company's investments in subsidiary is held at cost less accumulated impairment losses. Its investment is tested annually for impairment.

2.7 Dividend income

Dividend income is recognised when the right to receive payment is established.

Affinity Water Holdings Limited

Notes to the financial statements for the year ended 31 March 2020 (continued)

2. Summary of significant accounting policies (continued)

2.8 Dividend distributions

Dividend distributions to the company's shareholder are recognised as a liability in the company's financial statements in the year in which the dividends are approved by the company's shareholder.

2.9 Current income tax

The current income tax expense is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's current tax expense is calculated using tax rates that have been enacted or substantively enacted by the date of the statement of financial position.

3. Critical accounting estimates and judgments

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

Impairment of investment in subsidiary

Determining whether the company's investment in its subsidiary has been impaired requires an estimation of the investment's value in use. The value in use calculation uses an estimate of the enterprise value of Affinity Water Limited, the principal trading direct subsidiary of the company, which is based on its regulatory capital value at the year-end and market premiums paid for UK water supply companies. The carrying amount of investments in subsidiaries at the date of the statement of financial position was £287,670,000 (2019: £287,670,000) with no impairment losses recognised in either 2020 or 2019. Management conclude that the national health pandemic will not have an impact on the valuation of the investment in Affinity Water Limited. See the financial statements of Affinity Water Limited for details on the response to the national health pandemic.

4. Operating result

	2020	2019
	£000	£000
Operating result is stated after charging:		
Audit fees payable to the company's auditor	-	-

The auditor's remuneration for audit services in the year amounted to £5,500 (2019: £5,520), with such costs being borne by Affinity Water Limited, the direct subsidiary of the company. The auditor received no other remuneration for services provided to the company in either the current or prior year.

Affinity Water Holdings Limited

Notes to the financial statements for the year ended 31 March 2020 (continued)

5. Employees and directors

Employees

The company had no employees in the current year (2019: £nil).

Directors

No remuneration or pension contributions were directly paid to directors for services to the company (2019: £nil).

The directors who were appointed by Allianz Capital Partners on behalf of the Allianz Group, DIF and InfraRed Capital Partners Limited on behalf of HICL Infrastructure plc did not receive any emoluments from the company, or any company within the Affinity Water group.

6. Income tax expense

Tax expense included in the income statement

	2020 £000	2019 £000
Current tax:		
UK corporation tax on profit for the year	-	-
Tax on profit	<u>-</u>	<u>-</u>

There was no tax charge or credit for the year ended 31 March 2020, hence there were no differences between the effective tax rate and the standard rate of corporation tax.

The tax charge for the year ended 31 March 2019 was lower than the standard rate of corporation tax in the UK. The differences are explained below:

	2019 £000
Profit before tax	6,600
Profit before tax multiplied by the standard rate of tax in the UK of 19%	1,254
Effects of:	
Income not subject to tax	(1,254)
Tax charge	<u><u>-</u></u>

The tax rate for the current year is 19% (2019: 19%).

In the Spring Budget 2020, the Government announced that from 1 April 2020 the Corporation Tax rate would remain at 19% (rather than reducing to 17%, as previously enacted). This new law was substantively enacted on 17 March 2020.

Income not subject to tax in the prior year related to the dividends received from Affinity Water Limited.

Copies of the group financial statements of Daiwater Investment Limited and Affinity Water Holdco Finance Limited for the year ended 31 March 2020 may be obtained from the Company Secretary, Tamblin Way, Hatfield, Hertfordshire, AL10 9EZ.

The directors consider Daiwater Investment Limited as the ultimate holding and controlling company in the United Kingdom. The directors consider the following entities to be the company's ultimate controllers, as they are in a position to exercise material influence over the company's policy and affairs:

- Allianz Infrastructure Holding I Pte. Limited (during the period and up to 20 November 2019 Allianz Infrastructure Luxembourg I Sarl)
- DIF Management Holding BV
- DIF Management UK Limited
- HICL Infrastructure plc
- InfraRed Capital Partners (Management) LLP¹

Allianz Capital Partners is the Allianz Group's in-house investment manager for alternative equity investments. The investment focus is on infrastructure and renewables as well as private equity funds. Allianz Capital Partners' investment strategy is targeted to generate attractive, long-term and stable returns while diversifying the overall investment portfolio for the Allianz Group insurance companies.

DIF is an independent and specialist fund management company, which invests in infrastructure assets that generate long-term stable cash flows, including public-private partnerships, regulated infrastructure assets and renewable energy projects in Europe, North America and Australia.

HICL Infrastructure plc is a long-term investor in infrastructure assets which are predominantly operational and yielding steady returns. HICL has a portfolio of infrastructure investments, which are positioned at the lower end of the risk spectrum, in three target market segments: public-private partnerships, regulated assets and demand-based assets. The Investment Manager to HICL is InfraRed Capital Partners Limited, a leading international investment manager focused on infrastructure and real estate.

¹ Sun Life Financial Inc has exchanged contracts to acquire an 80% interest in the InfraRed business from InfraRed Capital Partners (Management) LLP. Following completion, which is subject to regulatory consents and other customary closing conditions and which is expected to occur in Summer 2020, Sun Life Financial Inc will become an ultimate controller..
